

VANS

ARB ACCESSORIES RANGE

4X4 ACCESSORIES

arbeurope.com

Leveraging almost 50 years experience in the 4x4 accessories manufacturing, ARB is developing products dedicated to vans with the aim of reaching an ever growing clientele.

With already a wide range of touring and camping products available, van owners will be able to take their lives to the next level of convenience and enjoyment, with a little help from ARB.

4X4 ACCESSORIES

ARB BASE RACK

FEATURES

- Two piece, fully welded construction for superior strength and rigidity
- Ultra sleek, low-profile design
- Cast aluminium crossbeam formation
- Unique dovetail mounting extrusion offers greater versatility, flexibility and speed in accessory placement and attachment
- Dovetail design means less dirt entrapment (easy cleaning)
- LED light bar, smaller AUX light, awning, lift jack & roller installation possible
- Removable end caps allow access to channel for installing hidden electrical cables for roof lighting and solar
- Guard rail option for safer cargo transport
- Wind deflector option for reduced noise
- Textured black powder-coat finish
- Various fixing points & mount brackets enable you to fix many accessories
- Advanced cable management

SIDE BEAM

MAIN BEAM

Part No: [1780630](#) for 2415 long

Part No: [1780640](#) for 2705 long

Part No: [1780650](#) for 2995 long

TRADE RAILS

Great for loading long items such as timber and ladders with an optional roller kit to help glide long or awkward items onto the rack.

BASE RACK ACCESSORIES

BASE RACK Accessories contains large scale of different items. More information you can find at next pages.

Part No: 1780500
ROOF RACK LIGHT BAR

Unique reflector design, combo beam technology
EMC, R10, CE and RoHS certified, 130 W

Part No: 17900100
WIND DEFLECTOR 1455 mm

2-millimetre press-formed aluminium
Significantly reduces wind noise associated with roof racks

Part No: 1780480
LIGHT BAR DOVETAIL MOUNT KIT

Mount to the dovetail track at any location
Suitable for mounting small items up to 3.5 kg per pair

Part No: 1780520
AUXILIARY LIGHT

The 2.8-inch light is great for lighting up your campsite or workspace. IP69K, 20 W

Part No: 1780490
LIGHT BAR UNDER MOUNT

Suitable for mounting small items up to 3.5 kgs per pair
Suitable for single-bolt, end-mount light bar and work lights

Part No: 1780240
AWNING BRACKETS (FIXED)

Allows fitment of ARB's awning range
Easy to attach to the BASE Rack – simply secure onto the dovetail track on the rack

BASE RACK

Part No: 1770100

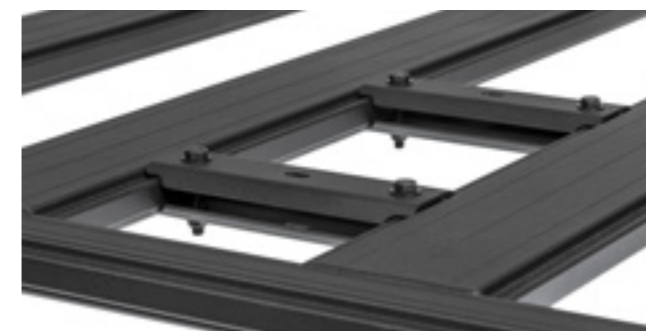

Part No: 1780260
AWNING BRACKETS (QUICK-RELEASE)

Quick-release bracket allows your awning to be removed in no time or moved to another position on the vehicle

Part No: 1780390
HEAVY-DUTY AWNING BRACKET

Designed to suit 270-degree awnings upto 25kgs
Integrated eye nut tie-down points

Part No: 1780420
NARROW BRIDGE PLATE MOUNT

Ideal for mounting rooftop tents
Provides a strong, versatile attachment point

With snap lock hooks

Part No: 1780385

Y-plate & ratchet, no eyebolt needed

Part No: 1780380

SPARE WHEEL Y-STRAP

150-kilogram lashing capacity
Adjustable one-metre straps suit most tyre sizes

»PREMIUM«

Part No: 1780280

»REGULAR«

Part No: 1780290

HIGH LIFT JACK HOLDERS

Allows easy fitment of a Hi-Lift™ Jack to your BASE Rack
PREMIUM quick release provides easier loading and unloading of jack

BASE RACK ACCESSORIES

Part No: 1780270

SHOVEL HOLDER

Suitable for 32-42 mm handle diameters, 5 kg weight capacity
Quick release system is fixed when not in use

Part No: 1780250

GAS BOTTLE HOLDER

Allows easy fitment of a gas bottle to your BASE Rack
Suits gas bottles between 2 kgs and 9 kgs

Single vertical

Part No: 1780320

Double horizontal

Part No: 1780350

Part No: 1780310

RECOVERY BOARD HOLDER

Allows easy fitment of recovery tracks onto the BASE Rack
Suitable for use with ARB TRED Pros and MaxTrax

Part No: 1780370

RATCHET STRAPS

Three-metre by 25-mm polyester webbing
200-kilogram lashing capacity

Single horizontal

Part No: 1780330

JERRY CAN HOLDER

Allows easy fitment of one or two jerry cans to your BASE Rack * Mounts horizontally or vertically * Solid aluminium clamps with forged steel eye nuts, strap included * Can attach to the dovetail track at any point on the rack

Double vertical

Part No: 1780340

Part No: 1780360

ROLLER KIT

Allows easy loading onto your BASE Rack
Makes long, heavy items easy to load safely onto the roof rack

Part No: 1780400 is prewired 6 wires

Part No: 1780410 is provision for 6 wires

WIRING KIT - PREWIRED

Wiring solution to neatly get wiring from inside the vehicle through the vehicle or canopy roof.

Part No: 1780210

SPRING-LOADED TIE-DOWN (PAIR)

Quick attachment and release
Provides a lashing point for ratchet straps

Part No: 1780610

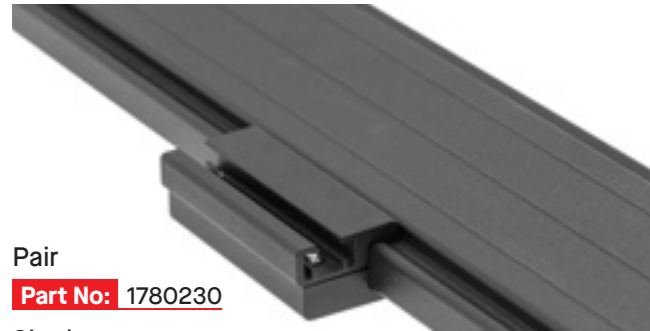

ALLOY BLOCK SET

Can attach to the dovetail on any location of the BASE Rack
Supplied as a set of 4 powder-coated aluminium blocks

Part No: 1780200

EYE BOLT TIE-DOWN

BASE RACK ACCESSORIES

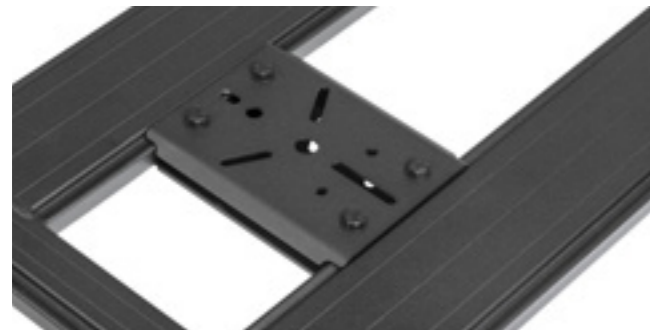

Pair
Part No: 1780230

Single
Part No: 1780220

T-SLOT ADAPTOR

Allows fitment of accessories from a range of other manufacturers
Uses a T-slot channel to accept T-slot mounted accessories

Part No: 1780430
WIDE BRIDGE PLATE

Suitable for mounting aerials, sand flags, some beacons, Rotopax™ and round driving lights

Part No: 1780450
HORIZONTAL WIDE MOUNT

Suitable for items up to 6 kgs per bracket
Provides a strong, versatile horizontal attachment point to BASE Rack

Narrow
Part No: 1780460

Wide
Part No: 1780470

VERTICAL NARROW MOUNT AND VERTICAL WIDE MOUNT

The narrow mount is suitable for mounting small items up to 3 kgs per bracket
The wide mount is suitable for mounting up to 6 kgs per bracket

Part No: 1780440
HORIZONTAL NARROW MOUNT

Suitable for mounting small items up to 3 kgs per bracket
Two brackets per kit, includes fasteners for mounting to rack

BASE RACK ACCESSORIES RANGE

FORD TRANSIT CUSTOM

AIR LOCKER

AIR LOCKER (REAR)

FEATURES

- Air Locker locking differentials will enhance the traction of your vehicle in just about any terrain, whether it's rock, clay, gravel, sand, snow or mud
- Increasing the handling & control of your vehicle, reducing chances of vehicle damage
- Reducing tyre wear, easier on the environment
- Replaces the factory internals in the rear differential
- Extremely tough and designed for extended life, far stronger than OE options (whether it be locked or unlocked)
- State-of-the-art two-piece design
- A superior locking mechanism versus all other locking differential competitors means that the Air Locker can be engaged at any speed and smoothly disengaged at the flick of a switch
- Advanced technology designed for heavy duty commercial use provides piece of mind on your off-road adventure
- Increased load capacity – suitable for vehicles with added accessories
- Convenient maintenance can be carried out, if necessary, with a full range of spare parts available
- 5-year warranty

FITS:

- Mercedes-Benz Sprinter 2006+ with 30 spline
Drive shafts LHS A 906 350 3910 and RHS A 906 350 4010.
- VW Crafter 2006-2017

AIR LOCKER PART NUMBER: RD262

RING AND PINION OPTIONS:

PART NUMBER	RING AND PINION OPTIONS
100-023-01	MB SPR.W906 11x46-ring & pinion ratio 4.181 with 12 pcs bolt
100-179-01	MB SPR.W906 11x48-ring & pinion ratio 4.363 with 12 pcs bolt
100-078-01	MB SPR.W906 11x52-ring & pinion ratio 4.727 with 12 pcs bolt

- Two zippered ports located in the top corners for power cable access
- Power cord guides in roof corners keep cables and wires tidy and safe
- Can accommodate awning heights from 1.9m to 2.1m from ground level
- Cross flow ventilated mesh roof
- Fine midge-proof mesh side panels
- Nylon stuff sack, 2 guy ropes and 6 pegs included

Part No: 813108-2500x2500

Part No: 813108-2000x2500

Part No: 813110-3000x2500

WIND BREAK

- Designed to angle out from ARB touring awnings, wind breaks offer additional protection from the wind and rain or extra shade and sun protection
- Manufactured from lightweight PU coated 300gsm poly cotton canvas

PART NUMBER	DESCRIPTION
813400	WIND BREAK SIDE
813102	WIND BREAK-FRONT 2500 mm
813202	WIND BREAK-FRONT 2000 mm
813300	WIND BREAK-FRONT 1250 mm

CAMPING ACCESSORIES

Part No: 10500101 **Part No:** 10500111
CAMPING CHAIR

Comfortable seats that are stylish and available in two styles,
• Side pocket with Velcro flap for keys, rated 150 kgs

Part No: 10500131
COMPACT DIRECTORS CHAIR

Unique folding mechanism that folds all the arms and legs together
Compact square shape, high back for added support to the user
Durable 420D rip stop material for chair fabric

Part No: 10500130
CAMPING TABLE

Unique table pins to keep the table sturdy, which can hold up to 30 kgs.
Comes with 600-denier PVC back nylon carry bag for storage

Part No: 10500200
FIRE PIT

The campfire – it's a staple piece of almost every camping set-up
Set up dimensions : 600mm (l) x 496mm (w) x 300mm (h)

Single
Part No: SDS102

Double
Part No: SDS200
SWAGS

Part No: 10500140
STRETCHER

600D Nylon padded top, provides comfort and support,
Heavy duty steel frame, supports 150 kgs

Part No: 10500095
JUMP STARTER

Perfect for a camping, family vehicle, boat, motorcycle, used car yard, the lithium powered Jump Starter has plenty of power to start a 12 V.

Part No: 10500073
FLASH LIGHT

Part No: 10500080
WORK LIGHT

Part No: 10500085
AREA LIGHT

HORIZON LIGHTS

Personal lights, which are perfect for your camping with Li-Ion battery and CE, FCC, RCM, RoHS, BC & PROP 65 approved

STORMPROOF BAGS

Part No: 10100377 (SMALL)

Part No: 10100378 (MEDIUM)

Part No: 10100379 (LARGE)

Part No: ARB4210
HANGING ORGANISER

Grounded on the growing need to convenient storage and organisation during your remote camping area travels

Part No: ARB4345
CAMP KITCHEN ORGANISER

Easy clean PVC shell, multiple utensil sleeves, sturdy handle
3 mounting options (eyelets, hook loop strap & sail track)

ARB DRIVING LIGHTS & BAR

Part No: ARBVX17B

ARB INTENSITY IQ

All in one light - multiple light control, which includes: driving light, work light, courtesy light, light fading function. Fully E-mark approved.

Part No: SJB36F Part No: SJB36S

Part No: SBJ21F Part No: SBJ21F

ARB INTENSITY SOLIS

Flood and Spot ARB LED lights with variable light output selection: 5 %, 25 %, 50 %, 75 % and 100 %.

Part No: SJB21EUX2

ARB INTENSITY SOLIS 21 EU SPEC

Unique LED lights with EU driving light R149 CE certification and offroad high beam capability at one light with special switch.

Part No: AR40CV2

ARB INTENSITY LIGHT BAR

Hi-beam combo LED bar with long distance and peripheral illumination setup.

Part No: See table below

Part No: NHW20VLI

BUSHRANGER NIGHT HAWK LED VLI BARS

VLI -Variable Light Intensity LED bars -large range of LED bars from 5.5" upto 51". High output Osram LEDs, versatile installation. Extruded 6061 body.

BUSHRANGER DRIVING LIGHTS & BARS

Part No: NHX180VLI

Part No: NHX230VLI

NIGHT HAWK VLI SERIES LED DRIVING LIGHT

VLI - Variable Light Intensity - you can choose from 7 brightness settings and light the way ahead.

Part No: NHX230VBP

Part No: NHX230VCT

NIGHT HAWK VPB & VCT SERIES

VPB - Variable Beam Pattern - flood and spot changes at one light
VCT - Variable Colour Temperature - from 3 000K to 6 000K colour temperature change

PART NO.	POWER	LED QTY	LUMENS	WEIGHT (KG)	OVERALL LENGTH (L) mm

SMARTBAR SPARTANBAR FOR VW CRAFTER 2017+

With parking distance control

Part No: SA275BL275

Without parking distance control

Part No: SA276BL275

SMARTBAR SPARTANBAR

- Made from UV stabilised polymer & with hollow construction
- **UNIQUE ABILITY:** can absorb an impact and then return (bounce back) to original shape
- Can compress up to 85 % of its width and return to 95 % of its shape within minutes
- Alternative to a OE bumper with better durability
- Safer, almost no added weight
- Easy installation as a full bar replacement
- The elastic design protects vital engine components, reducing the risk of immobilisation
- Lighter bar design reduces running costs (tyre, suspension, fuel and break wear)
- Compatible with airbags, a range of spotlights, UVP and recovery points
- Manufactured and designed in Australia
- Fitted weight: 53kg

SMARTBAR REAR PROTECTION BAR FOR VW CRAFTER 2017+

Black colour

Part No: RB032BL032

Safety yellow colour

Part No: RB032SY032

SMARTBAR REAR PROTECTION BAR

- Made from UV stabilised polymer & with hollow construction
- **UNIQUE ABILITY:** can absorb an impact and then return (bounce back) to ORIGINAL SHAPE
- Can compress up to 85% of its width and return to 95 % of its shape within minutes
- Safer, almost no added weight, no corrosion
- Easy installation
- Lighter design reduces running costs (tyre, suspension, fuel and break wear)
- Fitted weight: 33 kg
- Bar adds 230 mm to vehicle length
- Compatible with all VW Crafter on board safety systems, rear parking sensors & camera
- Rated to a safe working vertical load of 200kg
- Suits 4motion, FWD & other vehicle specification

AIR SYSTEMS

ARB offers a full Air System solution, including a large array of compressed air equipment and accessories.

Part No: CKSA12

ARB ON-BOARD AIR COMPRESSORS

ARB on-board compressor line include three different sizes - small, medium and twin. Medium and twin have 12 V and 24 V options.

Part No: CKMA12

Part No: CKMA24

Part No: CKMTA12

Part No: CKMTA24

Part No: CKMTP12

Part No: CKMTP24

ARB PORTABLE AIR COMPRESSORS

ARB portable compressors are very popular especially for camping and outdoor applications.

AIR SYSTEM SETUP IN THE VEHICLE

Part No: 171507

ALU AIR TANK

ARB own built air tank for all Air System application.

Part No: 501010

BRACKET COMPRESSOR UNI

Universal bracket to help ARB compressor fitting to the various vehicles.

Part No: 3501050

UNI SWITCH COUPLING BRACKET

Bracket for compressor switch and easy drawers side kit connection mounting.

Part No: 171302V2

ARB PUMP-UP KIT

High-temperature air hose with US standard fittings, 7 m

Part No: 171503

MANIFOLD KIT

Is used with LINX pressure control unit.

Part No: 0740201 - 0740206

HOSE REINFORCED JIC-04

740201	JIC-04 0.3M 1PK	740204	JIC-04 1.5M 1PK
740202	JIC-04 0.5M 1PK	740205	JIC-04 2M 1PK
740203	JIC-04 1M 1PK	740206	JIC-04 3M 1PK

Part No: ARB601

TYRE INFLATOR DIGI

Inflate, deflate & measure, Accuracy to +/-1psi @ 25-75 psi

Part No: ARB605A

TYRE INFLATOR

Inflate, deflate & measure,

Part No: ARB505

E-Z DEFLATOR PSI

Deflator allows for removal of the valve core for rapid tire deflation

Part No: ARB510

E-Z DEFLATOR DIGI

ARB E-Z Deflator Digital Gauge makes tyre deflation even easier thanks to accuracy of up to +/-1 psi @ 15-75 psi

Part No: ARB506

AIR PRESSURE GAUGE PSI/BAR

Especially designed for PSI tyre measurements/ adjustments.

Part No: ARB606

INFLATOR WAND PUSH-ON

Designed for applications where along reach chuck at special wheels and rims.

Part No: ARB4297

INFLATOR CASE BLACK SERIES II

Special transport case to carry all Air System accessories.

Part No: 0830001

PRESSURE CONTROL

Control your tire pressure via your cell phone app with pressure control regulator.

RECOVERY EQUIPMENT

When your vehicle's caught in a torrential downpour on a steep mountain track, stuck in knee deep mud or bogged in an isolated desert in sweltering temperatures, the reliability, performance and durability of your recovery gear is paramount.

Part No: ARB705 (8.000 kg)

Part No: ARB710 (11.000 kg)

Part No: ARB715 (15.000 kg)

RECOVERY STRAP

Snatch straps are similar to a tow rope but is designed to stretch under load for increased performance and safety

Part No: ARB720 (4.500 kg)

Part No: ARB725 (8.000 kg)

WINCH EXTENSION STRAP

Winch extension strap is a lightweight nonstretch strap that is perfect for extending the length of your winch's cable

Part No: ARB730 (3 m)

Part No: ARB735 (5 m)

TREE TRUNK PROTECTOR

When using a tree as an anchor point in a recovery situation, wrapping a cable, rope or chain around it causes damage to both your equipment and the tree

Part No: RK9A

PREMIUM RECOVERY KIT

Includes: snatch strap, tree trunk protector, winch extension strap, recovery dumper, gloves, shackles and snatch block. CE

Part No: RK11A

ESSENTIALS RECOVERY KIT

Includes: snatch strap, tree trunk protector, gloves, shackles and snatch block. CE

Part No: RK12A

WEEKENDER RECOVERY KIT

Includes: snatch strap, gloves, shackles and snatch block. CE

Part No: GLOVEMX

ARB RECOVERY GLOVES

These gloves use high quality synthetic materials to reduce abrasion and wear, as well as increase comfort on your hand.

Part No: ARB2018

SOFT CONNECT SHACKLES

To securely connect your recovery gear together - 14.5 T rated. CE.

Part No: 72X10

BUSHRANGER X JACK

The patented two-way inflation system can utilise exhaust or a portable air compressor inflation which provides added control in rate and extent of lift required. CE.

Part No: TREDPROBB

TRED RECOVERY BOARDS

Specially designed for when you find yourself stuck off the beaten track without any help in sight – TRED Pro is the ultimate recovery device to get you out of trouble when traction is lost in even the toughest of conditions; whether it be in sand, mud or even snow.

Part No: TREDPROMGO

Part No: RWR100S

Part No: RWR120S

REVO WINCH SYNTHETIC

Premium Motor design, Clock-able motor housing, Multi-mount control box, No-lift clutch, CE, IP67

Part No: 10100020A

SNATCH BLOCK ULTRA LIGHT

ARB snatch blocks feature side plates that sit snug against the pulley, eliminating the possibility of the winch cable becoming trapped in between.

Part No: TGTLLVLPKRD

TRED GT LEVELLING PACK

TRED GT Levelling pack has been designed to safely and easily level your caravan, motorhome or trailer.

LINX

LINX is a unique modern controller that declutters the dashboard and centralizes the command of vehicle accessories by replacing classic switches, gauges and monitors with one sleek and smart driver interface. Built on an expandable platform, LINX continues to evolve with new options and improvements.

Part No: LX100

- Simple control over mobile display
- Possible to connect Air Lockers, compressors, other pressure control devices, tyre pressure monitoring system, lights, electric coolboxes & batteries Possible to connect non-ARB products
- Supplied with 6 pre-installed modules and 6 free switchboard

Part No: 7450107
PRESSURE CONTROL KIT HIGH FLOW
LINX Pressure Control Kit gives you the hardware for inflation and deflation of either tires or Air Suspension

Part No: various part numbers
A-PILLAR BRACKET
Special designed bracket to easy fit LINX into various vehicles.

DUAL BATTERY SOLUTIONS

Whether it's to keep a few luxuries powered up on your next weekend away or to power a large setup on a long trip, ARB has a wide range of batteries and battery solutions that will keep you going.

From auxiliary battery systems to provide peace of mind and allow you to power additional accessories without the risk of flattening the main battery, to chargers and batteries, ARB has a wide range of batteries and battery solutions that will keep you going.

Part No: 4200010
AUXILIARY BATTERY BOX, UNIVERSAL TUB MOUNT
Manufactured from 2 mm powder coated steel, these auxiliary battery trays & steel boxes are available on their own or as part of a complete kit.

Part No: 4300020
WIRING KIT, BATTERY TRAY BCDC INCLUDES 50A MIDI FUSE
Special wiring kit to connect dual battery system with battery BCDC charger with 50 A Midi fuse. Kit contains various wiring and connectors.

BATTERY CHARGER

DC-DC, DUAL INPUT, 12 V 25 A, MPPT REGULATOR

Designed, built and tested in Australia for our unique conditions REDARC's In-vehicle Dual Battery Chargers won't let you down. The next generation 25 amp model include fully integrated MPPT solar regulator able to charge common lead acid auxiliary batteries as well as lithium iron phosphate batteries (LiFePO4).

Part No: BCDC1225D

FEATURES

- Separate DC and solar charging inputs
- Maximises the performance and life of your auxiliary battery
- Simultaneous DC and solar charging with Green Power Priority
- Suits 12 V/24 V standard and variable voltage/smart alternators
- Suitable for AGM, GEL, standard lead acid, calcium and LiFePO4 batteries
